

# ENYO RETAIL & SUPPLY

## Who We Are

We are a customer-focused, technology driven fuels retailing company. We provide best-in-class retail experiences, leveraging complimentary brands and delivers optimized returns to investors.

## We are redefining fuels retailing in Nigeria

Leveraging on the excellence of our affiliates , ENYO Retail & Supply limited seeks to create a value chain that is difficult to replicate in the Nigerian terrain.

## Our litre is a litre

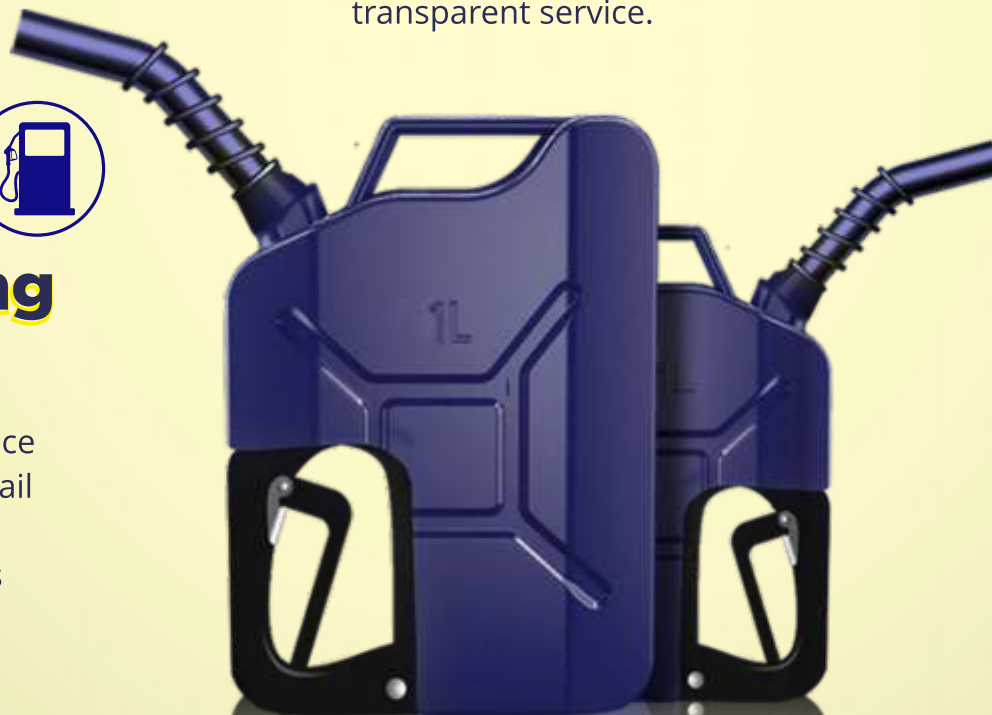

We have successfully built a reputation of integrity with our clients and customers. “1 litre is 1 litre”, a common saying which echoes through our halls, its an embodiment of the relationship of trust built through diligent and transparent service.

## Our culture is you first

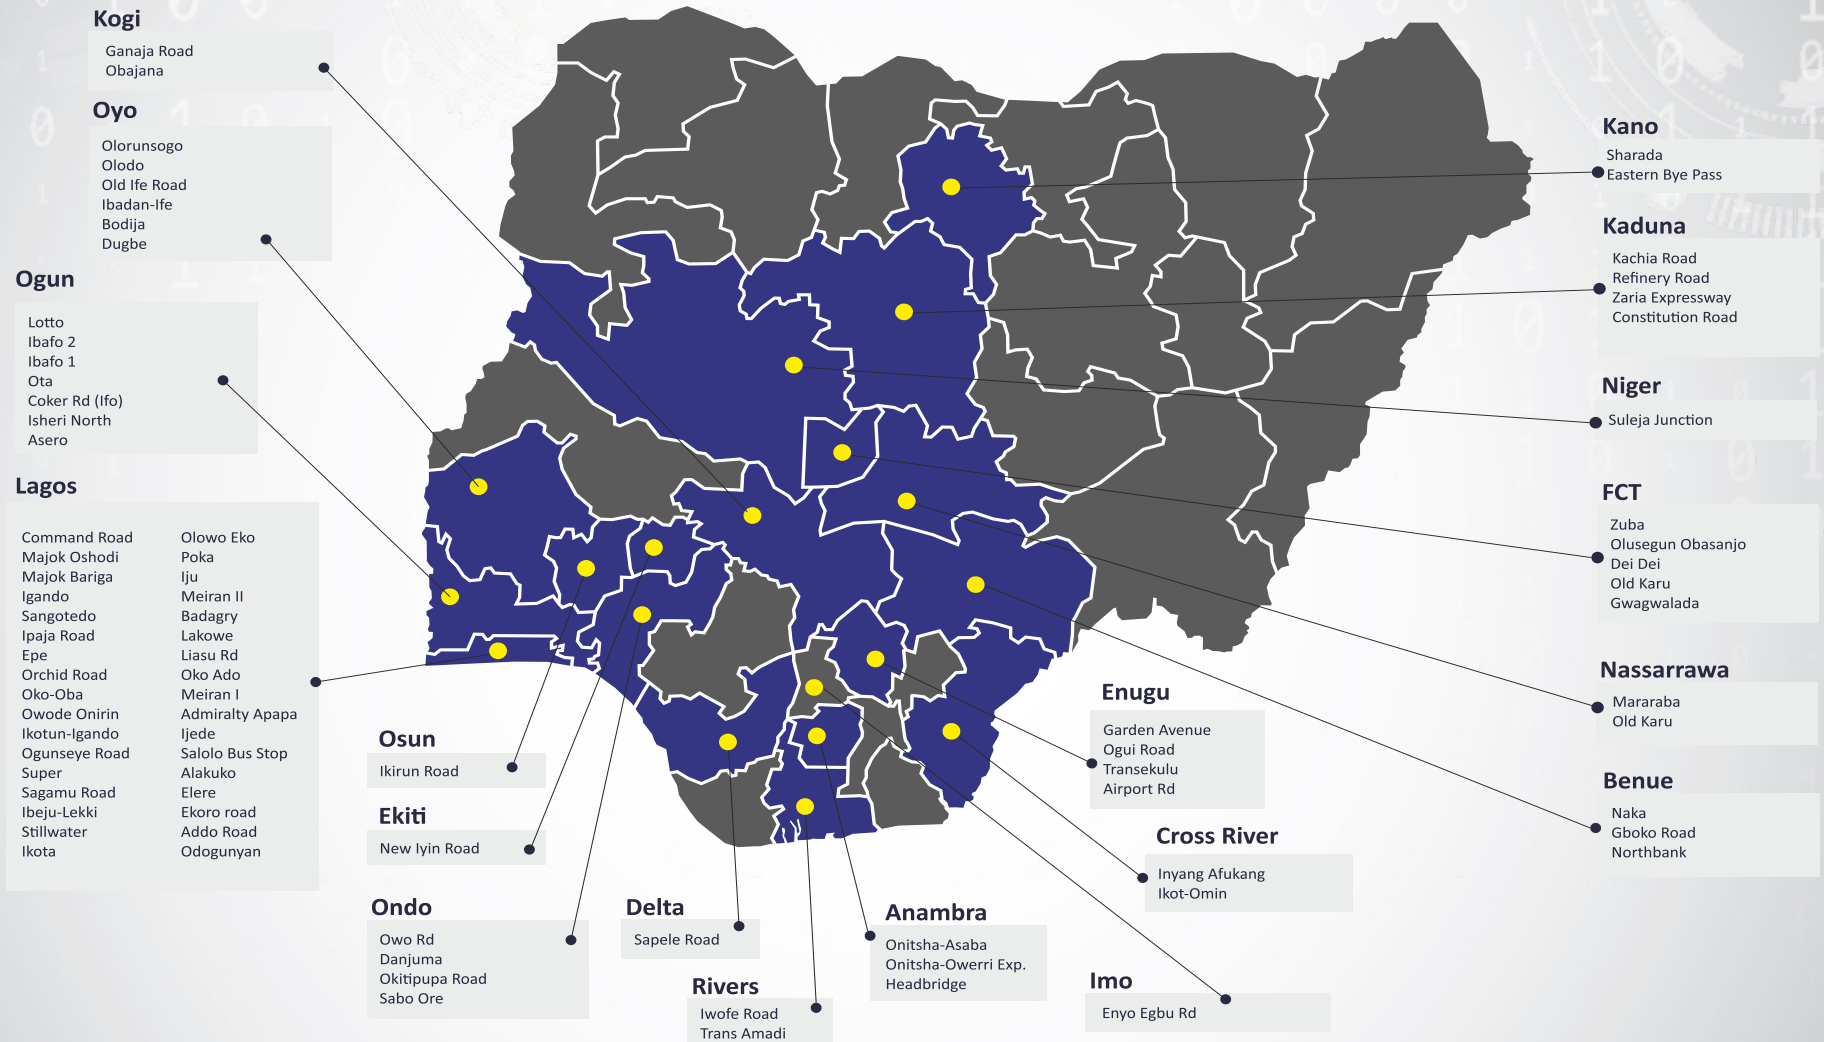

We are a customer focused business. We thrive on being an integral part of our customers' lives, delivering consistently positive customer experiences through innovative products and services.

ENYO thankU

## ENYOTHANKU

EnyoThankU is a point-based customer appreciation scheme designed to reward customers with points, when they buy any Enyo products and services. Customers can then use their points to pay for all Enyo products and services or accumulate points towards special occasions in the year, where customers get gift items.

## REELAX

Enyo Service Stations features "Reelax", a lifestyle space hosting a variety of outlets, ranging from coffee shops, convenience stores, lounge with free Wi-Fi amongst other offerings.

## DIESEL2DOOR

Diesel2Door is a quick, flexible and convenient way to order and pay for automotive gas oil (AGO). We offer quality diesel at competitive rates, delivered to your doorstep, within 24-36 hours, the D2D online platform allows customers to track their order from point of departure till delivery to their doors.

# THE One Stop

YOU NEED TO MAKE

## VELOX

Velox is a Business-To-Business (B2B), technology driven core system developed by Enyo from the real need of fleet owners to get more value out of their fueling budget. Velox is available for company pool cars, official and function cars, commercial vehicles, trucks etc.

## VEHICON

Vehicon is ENYO Retail's auto maintenance and repairs centre designed to provide convenient, professional and reliable services to individual and fleet vehicle owners.

## SL-GAS

Our Superior Liquefied Gas (SL-Gas), boost the switch of families from kerosene and firewood to clean LPG. SL-Gas is safe to use and is available at all Enyo stations in three SKUs (6kg, 12.5kg and 50kg). SL-Gas can also be made available for numerous industrial use.

## B2B

Enyo Retail offers forward-thinking solutions for businesses that seek to optimize their power needs across their corporate fleet, offices and/or site installations.
