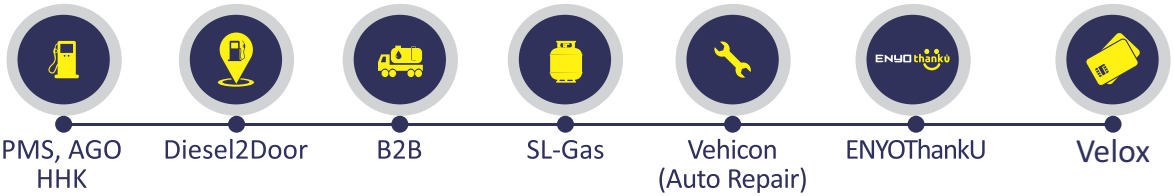
We are more than a Petrol Station

THE One Stop YOU NEED TO MAKE



Vehicon

Vehicon is ENYO Retail's auto maintenance and repairs centre designed to provide convenient, professional and reliable services to individual and fleet vehicle owners.

At Vehicon, we don't work on cars, we fix them !

Our Service Is A Guarantee

Superior Liquified Gas (SL-Gas)

Our Superior Liquefied Gas (SL-Gas), boost the switch of families from kerosene and firewood to clean LPG. SL-Gas is safe to use and is available at all Enyo stations in three SKUs (6kg, 12.5kg and 50kg). SL-Gas can also be made available for numerous industrial use.

Our Energy Is Your Meal

Velox

Velox is a Business-To-Business (B2B), technology driven core system developed by Enyo from the real need of fleet owners to get more value out of their fueling budget. Velox is available for company pool cars, official and function cars, commercial vehicles, trucks etc.

Our Culture Is Your Comfort

Diesel2Door

Diesel2Door is a quick, flexible and convenient way to order and pay for automotive gas oil (AGO). We offer quality diesel at competitive rates, delivered to your doorstep, within 24-36 hours, the D2D online platform allows customers to track their order from point of departure till delivery to their doors.

Our Fuel Is Your Trust

B2B

Enyo Retail offers forward-thinking solutions for businesses that seek to optimize their power needs across their corporate fleet, offices and/or site installations.

Our Solutions Are Convenient

“There is a good and wrong way to succeed. It's necessary to create models of success and to act within the rules with integrity.”

-Tunde Folawiyo
(Chairman, Enyo Retail & Supply Ltd.)

EnyoThankU

EnyoThankU is a point-based customer appreciation scheme designed to reward customers with points, when they buy any Enyo products and services. Customers can then use their points to pay for all Enyo products and services or accumulate points towards special occasions in the year, where customers get gift items.

Our Pledge Is To Every Citizen

LEADA

Our over 950 employees are fully committed to ensuring that the ENYO brand is rightfully perceived in and consistently maintains its position as one of the leading indigenous oil and gas company redefining petroleum products marketing.

Impacting Lives

“Leaders in the use of affordable technology to drive our business processes. We seek to deliver the best service to our customers leveraging technology and data.”

-Abayomi Awobokun

MECHTECH

Through our MechTech (Mechanic and Technicians Academy) initiative, over 5000 auto-mechanics across the country will be equipped with the technical expertise required to correctly diagnose and repair the most technologically advanced automobiles.
