

**VEHICON**

## Auto Care by Professionals

Successfully tending to your vehicles' needs takes diligent handling and expertise. At Vehicon, our aim is to deploy our experienced and professional team of technicians to diagnose, service, maintain and repair your vehicles at your very first visit. Little wonder our mantra is called **fix right, first time**.

We leverage the strength of our people and our certified partners to fit your vehicles and fleet with only OEM approved parts, supported by varied and unbeatable warranties across our workshop network.

## Vision

To be the most reputable provider of auto care services in our chosen customer segment in Nigeria, data and technology-driven.

## Our Value Proposition

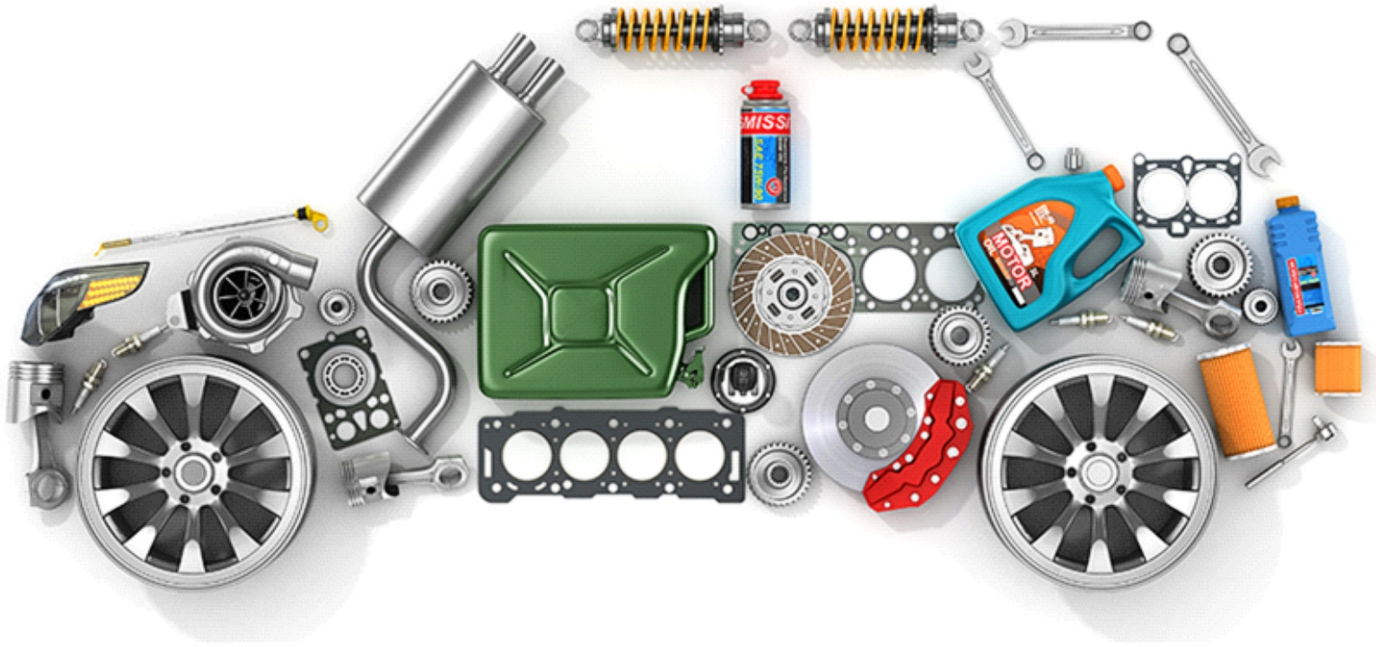

**Expert car care like the manufacturer ordered, delivered with trust.**

Our service is tailored to bring you rest of mind. When you visit our service centres, expect a warm welcome, professional handling and trust-based check out designed to pin point and fix the issue, first time at rates that will delight you.

### Standard Vehicon Car Service

- A “one-stop-shop” for all your fleet needs.
- Careful inspections that are carried out according to manufacturer’s specifications, ensuring that the vehicle’s warranty is maintained
- Qualified trained technicians
- A clear explanation of the work to be carried out as well as a cost estimate
- Genuine replacement parts where available.

## Automotive Aftermarket and Unbeatable Warranties

At Vehicon, we distribute, retail and fit your fleet using OEM parts, fluids, accessories and equipment. We offer extensive warranties on our replacement and failure parts as well as accessories to give you the much-needed assurance and rest of mind when you service with us.

Our Aftermarket covers your need for replacement, collision, appearance, and performance parts across all our service centres.

**Please Note:** Warranties only cover defective products. Validity of warranties are also subject to subsequent service of the subject parts or vehicles at Vehicon for the duration of the provided warranty period. Please note that due to the nature of our roads, Vehicon would not accept liability for breakdown, damage or non-performance of suspension and related parts except where such breakdowns, damage or non-performance are proven to be caused by factory defect.

### Warranties

- Failure Parts E.g. Engine and engine parts, – 6 months
- Service/Replacement Parts: E.g. Filters, spark plugs – 3 months
- Batteries – 12 months
- Suspension Parts – 6 months (limited warranty).

## Initiatives

### MECHTECH

Through this initiative, over 5,000 auto-mechanics would be equipped with the technical expertise to diagnose a car.

### MECH CITY

One stop ultra modern mechanic village where motor mechanics can perform their day to day activities at minimal cost.

### MECH SPARK

A financial empowerment scheme created to empower Mechtech Alumni and other registered mechanics.
